Product Summary

Product Description : Epson L 360 Color Inkjet Printer Efficient Technology

Enhance your productivity by getting the Epson Colour Inkjet Printer. Built with Ink tank system you can easily refill the printer without a mess. This technology enables you to enhance your productivity in a very cost effective manner. The printer has a high yield capacity of 4000 pages. It has a high speed of 33 ppm for black and white prints. It is a great choice for high volume printing. Equipped with Micro Piezo print head technology, it ensures reliable and durable prints that are smudge free and prominent.

From the Manufacturer

Epson's original InkTank System Printers now bring even better performance for business users while keeping extremely low running costs. Save more money and time with Epson's low cost ink bottles while increasing office productivity with improved printing speeds.

Superb Savings and Page Yield

Epson's proven original InkTank System delivers reliable printing with unrivalled economy. At just Rs.441 per bottle, Epson genuine ink bottles let you enjoy ultra high page yields of up to 4,000 pages (black) at very low running costs. The L310 also features Epson fast ink top-up technology for easy mess-free refills. Special tubes in the printer ensure smooth and reliable ink flow at all times.

Superb Print Speed

Equipped with Epson's proven Micro Piezo print head technology, the L310 has a high durability rating. Busy offices will appreciate the improved printing speeds of up to 33ppm for draft black & white, and up to 9.2ipm for default black & white prints. High volume printing has never been this quick and efficient.

One Touch Scan and Copy

The all-in-one L360 gives you the added convenience of scan and copy functions. Thanks to its precision 600 x 1200dpi sensor, scans are sharp and clear while draft mode copies are completed in just 5 sec for black and 10 sec for colour.

Space-saving Design

The L310 is compactly designed to take up less space than previous models. Their smaller footprints mean you can fit them comfortably anywhere in your office or home.

Unsurpassed Print Quality

An astoundingly high resolution of 5760dpi ensures exceptionally high quality prints for all your business and creative

needs.

1-Year Genuine Warranty

Enjoy warranty coverage of one year or 30,000 prints, whichever comes first, for maximum value from your printer and freedom from worries over its maintenance.
